ARIMATEST™

## PHARMADYNAMIC TESTOSTERONE TECHNOLOGY\*

ARIMATEST™ is a revolutionary breakthrough in natural testosterone boosting, made possible through the utilization of advanced anti-aromatase bioactives provided in the unique patent pending FASTSORB™ delivery tablet. ARIMATEST™ has the unique ability to rapidly and dramatically increase free testosterone while eliminating estrogen through aromatase inhibition.\*

## LABORATORY TESTED\*

Scientists at MuscleMeds™ conducted laboratory tests to validate the free testosterone boosting effects of ARIMATEST™ in a doctor controlled medical trial. Laboratory test results revealed that male subjects showed free testosterone levels were increased up to 10,000% above baseline levels within 1 hour after taking ARIMATEST™.\*

ARIMATEST™ is an extremely powerful testosterone boosting agent—**it's as serious as it gets.\***
